

Help us grow Grove

A few thoughtful check-ins can help bring Grove to more families.

See what families can notice

Real household view from the Grove app

Why Grove matters

ANALYTICS

- See meaningful patterns across everyday check-ins.

APPOINTMENT PREP

- Turn those patterns into a clear, care-ready summary.

Install in 3 steps

1

Join the tester group

Scan the left code and tap **Join group**.

2

Opt in on Google Play

Scan the right code with the same Google account.

3

Explore Grove anytime

Check-ins, analytics, and appointment prep - anytime.

1. JOIN GROUP

2. OPT IN

What to try

- Complete a check-in
- Review household trends
- Open appointment prep
- Share honest feedback

Thank you for helping Grove reach families on Google Play.

GROVE CARE

Use the same Google account for the group, opt-in page, and Play Store. Grove is informational and not medical advice.
